

Detroit Metropolitan Airport

Informational Meeting:

2019 Runway Reconstruction Project

Detroit Metropolitan Airport will host an Informational Meeting for the community to learn about the environmental impact analysis completed for the upcoming runway reconstruction project that will start in 2019. The environmental analysis has shown there are no significant environmental effects or extraordinary circumstances. Copies of the environmental analysis are available on the WCAA website at <http://www.wcaa.us/About/PublicNotices.aspx>.

The Informational Meeting is scheduled for Wednesday, March 7, 2018 from 5:30 to 7:30 p.m. at the Wayne County Community College District – Downriver Campus located at 21000 Northline Road, Taylor, Michigan 48180.

Community members may stop by anytime between 5:30 and 7:30 p.m. to learn more about the project from knowledgeable airport staff, and view a series of displays describing the details of the reconstruction project and the environmental analysis.
